The ASF has been helping sports fundraise for 30 years, raising almost \$300m in that time through our Fundraising4Sport program (F4S).

They are the only organisation that can work across all sports in Australia and help them fundraise via F4S, receiving tax deductible donations for things like building a new club house, purchasing new equipment, funding a tournament, supporting team travel, up-skilling coaching staff and officials, running participation programs and much more.

Donations of \$2 or more are tax deductible.

Your support will not only help to purchase much needed boats, it will also ensure that current and future St Catherine's rowers have the opportunity to experience the unique personal growth and development that comes through involvement with a successful rowing program.

I encourage you to show your support for St Catherine's rowing programs.

Mr Richard Coakley
Head of Rowing and Snow Sports

St Catherine's Rowing Invitation to Donate

St Catherine's School
Waverley

DEAR ROWING SUPPORTER

As you may know, fundraising is being undertaken for rowing at St Catherine's.

To assist with our fundraising efforts, the School has registered the St Catherine's Rowing Project with the Australian Sports Foundation Ltd (ASF). ASF project registration enables donations of \$2 or over in support of the project to be tax deductible.

While donations must be made unconditionally to the ASF, donors are able to nominate the St Catherine's Rowing Project as the preferred beneficiary of their donation. All ASF grants received by St Catherine's School, Waverley will be used to purchase rowing craft for the school's new rowing program.

If you would like to support the school's fundraising endeavours with this project, please consider making an ASF donation by completing and signing the ASF donation form (opposite) and return with your payment/details to the school address listed.

A receipt will be provided for taxation purposes.

Donations are voluntary, however any support would be greatly appreciated.

More information on the ASF can be found on this brochure.

Any questions regarding this project can be directed to me on 02 8305 6238 or mrickard@stcaths.nsw.edu.au.

Kind regards

Mrs Marilyn Rickard
Head of Community Relations
