

St Catherine's School
Waverley

Application process for international students

STEP 1 English language assessment report

All students who do not have English as their first language are required to sit an English Language Assessment Test provided by the **Australian Education Advisory Services (AEAS)**. The enrolment can only be processed after the results of this test have been forwarded to St Catherine's School.

STEP 2 Submit documents

Please submit these documents **here** or **by email**:

- AEAS assessment report
- St Catherine's enrolment application form
- Enrolment application fee (AUD\$400)
- Copy of your daughter's passport and birth certificate
- Copy of your daughter's latest two school reports, translated with validation from the school or agent.

STEP 3 Offer

If a vacancy exists, a conditional letter of offer will be sent to you by the school.

STEP 4 Your acceptance

Depending on your daughter's test results and her fluency in English, she may be required to undertake an English Language Course for overseas students (ELICOS) at a reputable college in Sydney.

The school has no affiliation with **Mega Education** and **Sydney College of English** but accepts the integrity of the high school and English language preparation program they offer.

The AEAS report will recommend the number of weeks your daughter will be required to attend an ELICOS college. The St Catherine's enrolments team will also assist and guide you.

- Return your acceptance of the place offered and your payment of a non-refundable and non-transferable enrolment fee (AUD\$2,500).
- Payment of one term's tuition fee and a refundable holding fee (AUD\$10,000) is payable prior to your daughter's commencement at the school.
- On receipt of your acceptance of enrolment and enrolment fee, the enrolments office will issue the Confirmation of Enrolment (CoE) and Confirmation of Appropriate Accommodation (CAAW) as required. These documents are needed to support your daughter's visa application.

STEP 5 Orientation

Orientation Day and an interview at the school will take place with your daughter and a parent or guardian prior to commencement.

STEP 6 Entry to St Catherine's School

You will receive access to the school's portal. The enrolment office will provide you with details about purchasing your daughter's school uniform and textbooks.
