

Music tuition and ensembles

Music is a wonderful way for students to create, perform and socialise with their peers.

Your daughter will have eight music lessons per term of 30 minutes, 45 minutes or one hour.

Her music lesson is at alternating times during the school day, so she won't be out of class for the same subject consistently.

Instrumental tuition

Woodwind

Flute
Oboe
Clarinet
Bassoon
Saxophone

Brass

Trumpet
French horn
