Donations to the **Voluntary Building Fund** make a difference

For over 165 years our students have been making their mark on the world from teaching gained in the very best facilities.

The generosity of generations of St Catherine's parents has been pivotal in ensuring the School's infrastructure has evolved.

Our income is predominately generated from school fees of which almost 70% funds staff and teaching costs. The remainder partially funds some of the capital works.

To keep St Catherine's facilities at the forefront of what we offer to our students, we look to your support each term. Please consider contributing to the St Catherine's Voluntary Building Fund.

It is tax deductible.
