

St Catherine's School
Sydney

Scholarships are literally life-changing

Looking Forward Giving Back

St Catherine's relies on the generosity of the school community to deliver unique opportunities. It is only through the support of people who love our school that we can continue to innovate and lead the way in education for young women.

Your support of the Scholarship Fund is vitally important and will create a lasting legacy for future generations of St Catherine's students.

You can make a donation online at <https://www.stcatherines.nsw.edu.au/Community/Pages/Donate.aspx> or by calling (02) 8305 6238.

Future proofing our girls

Indigenous Education Scholarship Program

St Catherine's is proud to play its part in closing the gap in Indigenous education with a scholarship program that commenced in the 1990s.

Our partnership with the Australian Indigenous Education Foundation (AIEF) began in 2009.

We also work closely with the GO Foundation and the Moriarty Foundation.

There are currently 21 Indigenous students at St Catherine's.

Faith Patterson Scholarship

Miss Faith Patterson AO was our longest serving Headmistress.

She led St Catherine's School from 1955–1987.

The Faith Patterson Scholarship was established in 2018 by the St Catherine's Foundation, following a generous bequest from Miss Patterson.

Your gift to this means-tested scholarship will help build an endowment to enable future students to attend St Catherine's who otherwise might not be in a position to do so.

Your gift will be life-changing!

Please consider making a tax deductible gift to help us grow our scholarship fund. As a girls school, we aspire to having the same success as our brother schools when it comes to raising funds and building endowments to support generations to come.
